

## SCOTT W. BATES, CSSC

### *Vice President Financial Settlement Services*

Scott applies eighteen years of experience as a claim professional and structured settlement broker to his position as consultant for Financial Settlement Services (FSS).

Scott began his insurance career in 1988 as a claims representative with Allied Insurance. Initially he worked as a multi-line claims handler, but later specialized in negotiating serious injury claims.

His background as a negotiator is an excellent asset in helping to evaluate the particular needs of the injured party. By addressing those needs through the use of structured settlements Scott is able to be of great assistance in resolving bodily injury and Workers' Compensation claims.

Scott earned a Bachelor of Science degree from Northern State University (SD), is a member of the National Structured Settlements Trade Association (NSSTA) and has earned his Certified Structured Settlement Consultant (CSSC) designation through The University of Notre Dame.

From his Des Moines based office, Scott handles a territory that covers the Midwest. He is available to travel throughout the United States for mediations and settlement conferences.
